## FRESHCARE+ 10KG FRONT LOAD WASHER

## FEATURES & BENEFITS

### 6<sup>TH</sup> SENSE

Automatically detects the amount of laundry and according to the fabric pe, chooses the best washing cycle. This intuitive technology guarantees optimal performance as well as time, energy and water consumption.

### FRESHCARE+

The ideal solution to make laundry stay so- and fresh inside the machine for up to 6 hours. By gently massaging the laundry with several slow bidirectional oscillations alternated with steam jets. Allowing air to circulate inside the flers to prevent bad odours.

### SENSE INVERTER MOTOR

Silent performance. This Whirlpool Washing Machine's innovative SENSE Inverter Motor is designed to ensure a long lasting, silent performance. Enjoy both ideal results and some extra peace and quiet.

### CLEAN+

Clean+ is an option working on 3 different levels (Intensive, Daily and Fast) that are specially designed to set the right washing action, depending on your cleaning needs: Intensive: this option is designed for high levels of dirtiness, removing most s stubborn stains. Daily: this option is designed to remove everyday stains. Fast: this option is designed to remove lightly soiled stains

### INTENSIVE RINSE

By selecting this option, the efficiency of the rinse is increased and optimal detergent removal is guaranteed. It is particularly useful for sensitive skin. Press the button once, two or three times to select an additional 1, 2 or 3 combat limescale build-up and bad odours
